I've been so many places in my life and time  
I've sung a lot of songs, I've made some bad rhyme  
I've acted out my life in stages  
With ten thousand people watching  
But we're alone now and I'm singing this song for you

I know your image of me is what I hope to be, baby  
I've treated you unkindly but girl can't you see  
There's no one more important to me  
So darling can't you please see through me  
'cause we're alone now and I'm singing my song for  
you

You taught me precious secrets of the truth,  
withholding 'nothing'  
You came out in front and I was hiding  
But now I'm so much better so if my words don't come  
together  
Listen to the melody cause my love's in there hiding

I love you in a place where there's no space or time  
I love you for my life, 'cause you're a friend of mine  
And when my life is over, remember when we were  
together  
We were alone and I was singing my song for you

I love you in a place where there's no space or time  
I've loved you for my life, yes, you're a friend of mine  
And when my life is over, remember when we were  
together  
We were alone and I was singing my song for you, yes  
We were alone and I was singing this song for you,  
baby  
We were alone and I was singing my song,  
Singing my song, singing my song, singing my song  
Singing my song
