Baring all I stand here before you
All my hurts exposed
In the depths of my despair
I cry out to you, make me whole

There is nothing I can do to make you love me more
Nothing I can do to make you love me less
I get on my knees and lift my hands to worship, and
confess

[Chorus]

That you are the Lord God Almighty
I fall at your feet
And I fall oceans short of your Glory
Yet you stoop down to make me great
Almighty God

Every day I choose again to love you
To keep your word in my heart
Give it all to You, my Lord I will surrender
Take every part

You are the Lord God Almighty
I fall at your feet
And I fall oceans short of your Glory
Yet you stoop down to make me great
Almighty God

Almighty God
Almighty God
You Almighty God

You are the Lord God Almighty
I fall at your feet
And I fall oceans short of your Glory
Yet you stoop down to make me great
Almighty God
