This is my prayer in the desert
When all that's within me feels dry
This is my prayer in my hunger and need
My God is the God who provides

This is my prayer in the fire
In weakness, or trial, or pain
There is a faith proved of more worth than gold
So refine me Lord through the flame

I will bring praise
I will bring praise
No weapon formed against me shall remain
I will rejoice
I will declare
God is my victory and He is here

This is my prayer in the battle
When triumph is still on it's way
I am a conquerer and co-heir with Christ
So firm on His promise I'll stand

I will bring praise
I will bring praise
No weapon formed against me shall remain
I will rejoice
I will declare
God is my victory and He is here

All of my life in every season
You are still God
I have a reason to sing
I have a reason to worship
X4

I will bring praise
I will bring praise
No weapon formed against me shall remain
I will rejoice
I will declare
God is my victory and He is here
X2

This is my prayer in the harvest
Where favour and providence flow
I know I'm filled to be emptied again
The seed I've recieved I will sow
