Yeah

[Stack] So I

I saw you standin' over there in the corner

[Brooke] Yeah

[Stack] your names Brooke right

[Brooke] Your name's stack right

[Stack] yeah

[Brooke] So can I get your number?

[Brooke]

I said hey

Hold up

Don't leave without getting my number

Hey hold up

Don't ya wanna know my name

Hey hold up

Wait

Don't leave without getting my number

I'm choosing you

I'm choosing you

Now usually

You wouldn't have to step to me

But I can't let ya slip away that easily

I'm diggin' on ya smell baby

I see ya got yourself together baby

That doesn't happen everyday

So don't walk away

No no

See I wanna get to know ya better

I really wanna know ya

But it's lookin' like you're headed to the door

I'm gonna write my information on this napkin

And don't hesitate to call

I said hey

Hold up

Don't leave without getting my number

Hey hold up

Don't ya wanna know my name

Hey hold up  
Wait  
Don't leave without getting my number  
I'm choosing you  
I'm choosing you

See ordinarily  
I wouldn't have to say a thing  
Silly boys reachin' for my hand  
Quick to hold up  
I'm checkin' your demeanor baby  
I see you got your act together baby  
That doesn't happen everyday  
So I won't let ya walk away

See I wanna get to know ya better  
I really wanna know ya  
But it's lookin' like you're headed to the door  
I'm gonna write my information on this napkin  
On this napkin  
And don't hesitate to call

I said hey  
Hold up  
Don't leave without getting my number  
Hey hold up  
Don't ya wanna know my name  
Hey hold up  
Wait  
Don't leave without getting my number  
I'm choosing you  
I'm choosing you

[Stacks]  
I'm choosing you girl  
I said hey hold up  
Little mama roll up  
Step up in the club  
Everybody know about us  
Tore up  
Know what  
We bout to tear the floor up  
Seen a lotta things  
Make me never wanna grow up  
Brooke's on the floor  
Stacks on the mic  
Sobe's the name  
All the haters to the right  
Now you tellin me it's this  
And you tellin me it's that  
But how they gonna stop us

When we pop up on the map  
So put your number on the glass

See I wanna get to know ya better  
I really wanna know ya  
But it's lookin' like you're headed to the door  
I'm gonna write my information on this napkin  
And don't hesitate to call

I said hey  
Hold up  
Don't leave without getting my number  
Hey hold up  
Don't ya wanna know my name  
Hey hold up  
Wait  
Don't leave without getting my number  
I'm choosing you  
I'm choosing you
