Lord, let's send down some angels
And they better have guns
Cause everybody's crazy down here
On everybody's drugs

Casinos, pornos, talk shows
Where white trash goes to die
Bums push carts
Crackhead squirrels, and birds too drunk to fly

Keep dancing, it's the end of the world
She said 'Oh baby do the end of the world'
C'mon baby it's the end of the world
She says 'Smile! Do the end of the world! '

Keep dancing to the end of the world
She said 'Oh baby it's the end of the world'
C'mon baby it's the end of the world
She says 'Smile! It's the end of the world! '

And they send down some astronauts
To study our bones
Through the miles of garbage
Beneath all the junk that we owned
Carbon dating beer cans, condoms, and twinkly
wrappers
We was something beautiful, baby
What the hell happened

Keep dancing, it's the end of the world
She said 'Oh baby do the end of the world'
C'mon baby it's the end of the world
She says 'Smile! Do the end of the world! '

Don't need no headstone to be dead in a hole, I say,
they gonna go dig you up like some elephant bones.

If you were worth it they'd skin you too
For new tennis shoes
Or a couch that fits the motif of the living room
And doesn't clash with your business suits

I wanna be in a museum,
Stuffed and in a realistic position like I'm huntin
Callin someone or buyin somethin
Way too busy to look up and see what was comin

Keep dancing, it's the end of the world
She said 'Oh baby do the end of the world'
C'mon baby it's the end of the world
She says 'Smile! Do the end of the world! '

I want my bones kept next to somebody of cultural
significance
Like Fonzi or William Shatner
Yeah, somebody famous like Gilbert Godfrey or the
dog from Frasier
That caveman they found?
He was a punk, I knew him in High School
