You know it's been about four years since I graduated  
from the Handsome Boy Modeling School  
And I just want to say that their 60 dollar course  
changed my life  
Since my graduation I've traveled to Prague, Milan,  
Paris, and Buffalo New York  
And I now drive a fifty thousand dollar LaForce  
Automobile  
With total suede package, with subwolfers, and  
specially designed custom glass rims  
Also, in my closet, shoes. So many shoes you cannot  
believe  
And next to it a drawer with the socks, full of the socks,  
more than enough for each pair of shoes. Yes that's a  
many.  
And the Women. Let me tell you, the women, my God  
I can't go into the details, let's just say, I know all about  
the secret garden.

So let me just say "thank you" from nearby the bottom  
of my heart  
To Nate and Chest for showing me that beauty is truly  
in the Eye of the Tiger
