Alright it's getting really close to the election day

As soon as pastor pass the collection plate

But pay your ties times money

To withstand when cats drive by funny
Like I ain't got what he got I don't play that
Nigga we fade cats that don't fuck with j-cats

The first and fifteenth you be be hittin up yo baby

Pouring gin and tonic with some chronic to blow

The lawless warrior William Wallace
Rappin' 'till I get a million dollars
Like home girl strippin still in college
Trying to get paper'd up
Please huh believe I help her breathe like vapo-rub
Rock the mic in your favorite club
Rock flavors like haters might step on the the gators

From the bay to decatur the mic motivator hold a mic
like yoda hold a saber
You know the flavor watch your behaviors
Cool I'm off to Handsome Boy Modelling School
And best believe I got a locker full of Vodka and
Backwoods
I can play the doctor and start writing prescription
If you fighting addictions I'm right in the distance

Tim Meadows Speech :

The Handsome Boy Modeling School has given me
confidence to show up for a date
when I say I'm going to be there... and... and to call two
days later, to let
her know that I am okay, whether the date ended good
or bad. Before I was so
incomplete and so... even though I was getting laid a
lot, I was... I was not
happy. But now, I'm getting laid and I'm happy. So I am
complete. Thank you,
