You've got it right, I'm out of line  
Sometimes I feel like I'm losing my mind  
Your one way street, it's calling me  
I'll be your hero yeah I'll be your everything  
You wait and see

Tie me up, tie me down  
I just wanna be the one  
I just wanna be the one you love

And in your bed, I'll be your pet  
You think I'm crazy well you ain't seen nothing yet  
You've got the will, I got the whip  
And take me over now I'll take you on a trip  
You wait and see, baby wait and see

Tie me up, tie me down  
I just wanna be the one  
I just wanna be the one you love

Tie me up, tie me down  
I just wanna be the one  
I just wanna be the one you love

As I recline may I remind you one more time  
I want to be there when you want to cross that line  
Pleasure and pain, hit me again  
You want the fire, girl, and I'm your gasoline  
Wait and see, baby wait and see

Tie me up, tie me down  
I just wanna be the one  
I just wanna be the one you love

Tie me up, tie me down  
I just wanna be the one  
I just wanna be the one you love
