Darkness fell
Feeling restless inside the hotel
But I let you sleep
Let you sleep
I walked out to the blvd's buzzing howl
Down to the beach
To the beach

I heard them calling ship to shore
Across the sea
Across the sea
Across the sea
Across the sea

Hear comes the night
With it's traffic and brilliant lights
It was something to see
To see

Here's my hand and a head full of buzzing howl
The future is sleek
Is sleek

I feeling it coming on again
Coming back to me
Back to me
Back to me
Back to me

...

I feel it coming on again
Coming back to me
Back to me
Back to me
Back to me

Ohhhhh the water froze
Water froze
Water froze
Water froze
Water froze

Water froze

And I felt it close

Felt it close

Felt it close

Felt it close

Felt it close

Felt it close

Ohh

Ohh

I felt it coming nyet spasiba

Hold it and hold it and hold it until it goes

Oh oh

I felt it coming nyet spasiba

Hold it and hold it and hold it until it goes

Oh oh

I felt it coming nyet spasiba

Hold it and hold it and hold it until it goes

Oh oh
