If you wade across the water  
I will walk the frozen beach  
In the sand I'm building something  
Come across the foam please come and see

oh, oh, oh  
oh, oh, oh

I know you are his loving daughter  
You know our father is cruel and mean  
It must be all over the wind and i cant breathe  
It must be all over the wind and i cant breathe

Oh, oh, oh  
Oh, oh, oh  
Our love is lost and found  
Our love is lost and found

Oh, oh, oh, Officer of hearts  
Oh, oh, oh, Officer of hears  
Officer of hearts, of hearts  
Officer of hearts, of hearts  
Officer

I must be lost and found  
I must be lost and found  
All of us lost and found  
All of us lost and found  
Lost and found, lost and oooh
