Thinking back on summer weekends
Hanging out no need for reasons
I recall Spot Drive-in meetings
3 a.m. and still we're eating

(Chorus)

I make this promise and I'll keep it
Never will my friends I forfeit
To all the ones who feel forgotten
Keep holding on to these words just said
(End Chorus)

I understand and I don't blame you
I've been gone and you've been gone too
Different places, so many places
Growing up just seems to've changed things

(Repeat Chorus)

(Repeat Chorus)

This promise, I'll keep it
Never will my, never will my
Never will my friends I forfeit
