Thinking back on summer weekends  
Hanging out no need for reasons  
I recall spot drive-in meetings  
3 a.m. and still we're eating

I make this promise and I'll keep it  
Never will my friends I forfeit  
To all the ones who feel forgotten  
Keep holding on to these words just said

I understand and I don't blame you  
I've been gone and you've been gone too  
Different place, so many places  
Growing up just seems to've changed things

I make this promise and I'll keep it  
Never will my friends I forfeit  
To all the ones who feel forgotten  
Keep holding on to these words just said

I make this promise and I'll keep it  
Never will my friends I forfeit  
To all the ones who feel forgotten  
Keep holding on to these words just said

This promise and I'll keep it  
Never will my, never will my  
Never will my friends I forfeit
