What do you see in me
That I can bare your name?
How do you justify
Forgiving once again?

If giving my all to you
Is all you truly need
Then I give you everything
To work in spite of me

All that I have, at all costs
Anything that I should gain
I count as loss, to know you
Is all that I wanted

The past left behind, out of my way
Pressing on to what you have
Now granted me, can this be
I'm all that you wanted

When all of the feelings pass
Along with certainty
I cling to a faith that lasts
Completely covering me

All that I have, at all costs
Anything that I should gain
I count as loss, to know you
Is all that I wanted

The past left behind, out of my way
Pressing on to what you have
Now granted me, can this be
I'm all that you wanted

All that I have, at all costs
Anything that I should gain is lost
The past left behind, out of my way
Pressing on to what you granted me

All that I have, at all costs
Anything that I should gain is lost

The past left behind, out of my way
Pressing on to what you granted me
