"Don't Forget About Today"

What you're doing now
Leaves you on the ground
No use growing up
Your walk's slowing down

When you think about tomorrow
Don't forget about today
When you're thinking of tomorrow
Don't forget about today

Wasting time away
Wait another day
Putting God on hold
Leaves you in the cold

When you think about tomorrow
Don't forget about today
When you're thinking of tomorrow
Don't forget about today

When you think about tomorrow
Don't forget about today
When you're thinking of tomorrow
Don't forget about today
