You keep tripping over holes
You're drilling in the floor
I can't watch your back
If you don't want me anymore

First you love me then you say
You need a little more time, much more than yesterday
You pull then you push, push me away
I can't take much more I'm gonna break

You say, Go, go, go, go, go, go, get out of my life
Wait, no, no, no, I lied, I lied
I so, so, so, so, I so can't decide
If you're the one I like, I like

But you'll never, know whatcha like
No I don't care whatcha like
I don't care.

You pursued me like you never seen a girl before
The stores ran out of post-its you kept leavin' on my
door

First you kiss me then you say
That you can never ever miss me
Till you have your way
With one, two, three hundred other girls
How many licks does it take for you break?

You say, Go, go, go, go, go, go, get out of my life!
Wait, no, no, no, I lied, I lied
I so, so, so, so, I so can't decide
If you're the one I like, I like

But you'll never, know whatcha like
No I don't care whatcha like
I don't care.
I don't care.

You're so wishy-washy
You won me, lost me

I shoulda beed first, not last
So you can sock your love right up your ass

Say Go, go, go, go, go, get out of my life
Wait, no, no, no, I lied, I lied
I so, so, so, so, I so can't decide
If you're the one I like, I like

You say, Go, go, go, go, go, get out of my life
Wait, no, no, no, I lied, I lied
I so, so, so, so, I so can't decide
If you're the one I like, I like

But you'll never know whatcha like
No I don't care whatcha like.

But you'll never, know whatcha like

No I don't care whatcha like
I don't care.
