Fast cars and guitars to play
Who cares about the price we pay
Good jobs for big wads to spend
It's the priorities of this selfish world we live in

We must hold the wealth of the world
Loosely in the palm of our hands
When it's all gone, there's just one thing that remains
God will always be here

Fast cars and guitars to play
Who cares about the price we pay

It's the priorities of this selfish world we live in

We must hold the wealth of the world
Loosely in the palm of our hands
