Can you hear me  
If you hear me  
Help me out  
Help me out, out

Can you see me  
Can you hear me  
Cryin' out  
Cryin' out, out

My heart is breakin'  
If you can fix me  
Tell me how  
Tell me how, how

I keep waiting  
On my knees  
On the ground  
The ground

Rescue me  
There has been a love crime  
Rescue me  
I can't take  
Another heartache  
Rescue me  
There has been a love crime  
Rescue me  
I can't shake-a-shake off  
This heartache

Don't you tell me  
That you're sorry  
You know you can't  
Can't, can't take it back

You say you need me  
But you treat me  
So bad, so bad so bad

You disgraced me  
You replaced me

And now you don't  
Don't deserve me

Shoulda held me  
But you left me  
Unprepared in this emergency

Rescue me  
There has been a love crime

Rescue me  
I can't take  
Another heartache  
Rescue me  
There has been a love crime  
Rescue me  
I can't shake-a-shake off  
This heartache

How long, how much longer  
Can I hold on  
Hold on a little longer  
Why, why did I even bother  
To trust your lies

And how long  
How long has this  
Gone on  
Pretending you were mine  
While I promised you my life  
You deceived me  
You deceived me  
You deceived me

Oh

Rescue me  
There has been a love crime  
Rescue me  
I can't take  
Another heartache  
Rescue me  
There has been a love crime  
Rescue me  
I can't shake-a-shake off  
This heartache

Rescue me  
There has been a love crime  
Rescue me  
I can't take

Another heartache  
Rescue me  
There has been a love crime  
Rescue me  
I can't take a,  
I can't take a  
I can't take a heartache
