BEYOND THE BLUE HORIZON  
WRITERS HARLAN HOWARD, HANK COCHRAN  
RECORDED BY MIKE NESMITH

Beyond the blue horizon Waits a beautiful day  
Goodbye to things that bore me Joy is waiting for me  
I see a new horizon My life has only begun  
Beyond the blue horizon Lies a rising sun  
Beyond the blue horizon Waits a beautiful day  
Goodbye to things that bore me Joy is waiting for me  
I see a new horizon My life has only begun  
Beyond the blue horizon Lies a rising sun  
Beyond the blue horizon  
Lies a rising sun
