Tell me how your broken heart  
Has made a wall of ice and crumbled down  
Tell me how I didn't hear your alarm  
'Cause if you had a change of heart,  
I'll change it back around

But don't tell me that it's too late  
I will never give you up  
And don't tell me that it's time to wake  
When you're the one I'm dreaming of  
You'll never see the day that I won't try  
Every single way to reverse your goodbye  
Don't tell me I won't fall apart  
'Cause you've always had my heart from the start

When you're hurting I hurt too  
(When you're smiling then I'm smiling too)  
'Cause you're a part of me and I belong to you  
Tell me I'm no longer beautiful  
If what you see in me doesn't show you that I'm true

So don't tell me that it's too late  
I will never give you up  
And don't tell me that it's time to wake  
When you're the one I'm dreaming of (no no no)  
You'll never see the day that I won't try  
Every single way to reverse your goodbye (no no no)

Don't tell me I won't fall apart  
'Cause you've always had my heart from the start

Tell me you won't miss my tender kiss  
And that you don't believe in promises  
Tell me all I am is just a fool  
'Cause all I breathe is you  
Tell me what I'm supposed to do  
If I can't live my life without you (without you)

So don't tell me that it's too late  
I will never give you up  
And don't tell me that it's time to wake  
When you're the one I'm dreaming of (no no no)

You'll never see the day that I won't try  
Every single way to reverse your goodbye (no no no)  
Don't tell me I won't fall apart  
'Cause you've always had my heart from the start

Never gonna give you up (up)  
Never gonna give you up (up)  
'Cause you're the one I'm dreamin' of (of)  
'Cause you're the one I'm dreamin' of (of)  
Never see the day I won't try  
To reverse your goodbye goodbye  
'Cause you were always my love my love  
You were always my love from the start
