I just want to touch you
I just want to touch you deep inside
But the way your heart is frozen keeps me miles and
miles away
I just want to lick you
I just want to lick your wounds inside
But the way you shut me out just makes your bandage
go to waste (go
to waste)

MAIN VOCALS CHORUS:

On the outside you're so hot (hot)
That you can make me melt like ice cream (ice)
But inside you're just an ice machine (hot ice)
How can you be so mean? Walkin' all over me
like my heart is a
trampoline

BACKGROUND VOCALS CHORUS:

Inside outside inside outside inside outside inside
outside inside
outside
inside outside inside outside inside outside inside
outside inside
outside trampoline.

I just want to kiss you
I just want to kiss your dirty mouth
And give you pretty thoughts to think about and say
outloud
Just want to resist you
I just want to resist you and your charm

But you're so raw there's nothing artificial I can do
without (do
without)

On the outside you're so hot (hot)
That you can make me melt like ice cream (ice)
But inside you're just an ice machine (hot ice)
How can you be so mean? Walkin' all over me
like my heart is a

trampoline

I just want to kiss I just want to touch
I just want to resist your hot hot ice ice
I just want to lick I just want to touch
I just want to resist your hot hot ice ice

Bridge Background vocals:

You'll never find a love like mine
You'll never find a love so fine
You'll never find someone like me for all of time

On the outside you're so hot (hot)
That you can make me melt like ice cream (ice)
But inside you're just an ice machine (hot ice)
How can you be so mean? Walkin' all over me
like my heart is a
trampoline
