When I grow up  
I'm still gonna believe in fairytales yeah  
When I grow up  
I'm still gonna need my teddy bear yeah yeah

Despite the time that goes by  
Some things just never change  
And though you told me goodbye  
I still believe that we can make it someday

So this lullaby is for you  
Don't you know that every night I'm cryin' for you  
Cause I'm gonna need a brand new heart  
'Cause mine is such a mess  
And the hurt I feel since the day you left is no better  
And since I gave you my forever  
I'll keep dreamin' now or never  
That you'll come back

When you're too far  
You're voice is still my nightengale yeah  
I fall apart  
I feel so numb to sunshine and the rain yeah yeah

On every star I see  
I keep wishin' you'll think of me  
And if you follow them  
I'm sure they'll bring you back to me  
Come back to me

So this lullaby is for  
Don't you know that every night I'm cryin' for you  
'Cause I'm gonna need a brand new heart  
'Cause mine is such a mess  
And the hurt I feel since the day you left is no better  
And since I'm lost for you my forever  
I'll keep dreamin' now or never

And I don't wanna believe  
What I don't wanna hear  
[That you're gone]  
And every second I breathe

Feels like thousand years  
[When you're gone]

(Bkground now or never now or never)

Despite the time that goes by  
Some things just never change  
And though you told me goodbye  
I know we'll make it we can make it someday

So this lullaby is for  
Don't you know that every night I'm cryin' for you  
'Cause I'm gonna need a brand new heart  
'Cause mine is such a mess  
And the hurt I feel since the day you left is no better  
And since I gave you my forever  
I'll keep dreamin' now or never
