Now come on, baby
Let's do the switch-a-roo
(Switch-a-roo, switch-a-roo)
Come on, baby
Let's do the switch-a-roo
(Switch-a-roo, switch-a-roo)

There is nothing to it, honey
If I can do it, so can you
(Switch-a-roo, switch-a-roo)

Now, hey, hey, everybody
Let's get up on the hill
(Switch-a-roo, switch-a-roo)
Hey, everybody
Let's get up on the hill
(Switch-a-roo, switch-a-roo)

I know you think you won't now
Aw, but I know you will
(Switch-a-roo, switch-a-roo)

Come on, baby
Form a big boss line
Come on, baby
Don't you fall behind

That's it baby
Now you're looking good
You're doing the switch-a-roo
Like I knew you could

Aww, switch (switch-a-roo)
I said switch (switch-a-roo)
Oh, switch (switch-a-roo)

Just like this (switch-a-roo)
Just like this (switch-a-roo)
I said switch (switch-a-roo)

Just like this (switch-a-roo)

Fust like this (switch-a-roo)
Switch-a-roo

Just like this (switch-a-roo)
I said switch (switch-a-roo)
Oh, switch now

Come on, baby
Form a big boss line
Come on, baby
Don't you fall behind

That's it baby
Now you're looking good
Yougre doing the switch-a-roo
Like I knew you could

Oh, switch (switch-a-roo)
Switch now (switch-a-roo)
Just like this (switch-a-roo)
Just like this (switch-a-roo)
I said switch (switch-a-roo)

I said switch (switch-a-roo)
Just like this (switch-a-roo)
Switch-a-roo

Just like this (switch-a-roo)
Just like this (switch-a-roo)...
