Who's gonna love Leona when I'm gone
Who's gonna love Leona when I'm gone
Wh'll hang pictures on her wall who's gonna pet
Leona's dog
Who's gonna love Leona when I'm gone

Who's gonna dig Leona's taters when I'm gone
Who's gonna dig Leona's taters when I'm gone
Who'll put antifreeze in her car who's gonna help her
start to force
Who's gonna love Leona when I'm gone

Who's gonna hey who's gonna who's gonna love Leona
when I'm gone
Who'll buy ribbons for her hair who's gonna make sure
that she's fed
Who's gonna love Leona when I'm gone
[banjo - steel]
Who's gonna love Leona when I'm gone...
Who's gonna dig Leona's taters when I'm gone...

Who's gonna come on now who's gonna who's gonna
love Leona when I'm gone
Who'll buy ribbons for her hair who's gonna make sure
that she's fed
Who's gonna love Leona when I'm gone
