Do you know how to twist  
If you don't, I'll show you how  
Do you know how to twist  
If you don't, you're out of style

Everybody is twisting now  
Everybody is learning how  
Put on a tight dress  
We're on our way  
We'll twist til  
The break of day

(CHORUS)  
Let's twist (let's twist)  
Oh, baby, let's twist (let's twist)  
If you resist, look what you miss

Baby, if it's late at night  
Or if the sun is shinging bright  
The twist is the thing to do  
It's good for me and you

(CHORUS)

Do you know how to twist  
If you don't, I'll show you how  
Do you know how to twist  
If you don't, you're out of style

The gang is on the move  
They're in a twisting groove  
Now that you've got the news  
Put on your twisting shoes

Let's twist (let's twist)  
Oh, baby, let's twist (let's twist)  
If you resist, see what you miss

Do you know how to twist  
If you don't, I'll show you how  
One more time now  
Do you know how to twist

If you don't, you're out of style

Thank you
