BEYOND THE BLUE HORIZON
WRITERS HARLAN HOWARD, HANK COCHRAN
RECORDED BY MIKE NESMITH

Beyond the blue horizon Waits a beautiful day
Goodbye to things that bore me Joy is waiting for me
I see a new horizon My life has only begun
Beyond the blue horizon Lies a rising sun
Beyond the blue horizon Waits a beautiful day
Goodbye to things that bore me Joy is waiting for me
I see a new horizon My life has only begun

Beyond the blue horizon Lies a rising sun
Beyond the blue horizon
Lies a rising sun
