I fall to pieces each time I see you again
I fall to pieces how can I be just your friend
You want me to act like we've never kissed
You want me to forget pretend we've never met
And I've tried oh I've tried but I haven't yet
You walk by and I fall to pieces

I fall to pieces each time someone speaks your name
I fall to pieces time only adds to the flame
You tell me to find someone to love

Someone who'll love me too the way you used to do
But each time I go out with someone new
You walk by and I fall to pieces you walk by and I fall to
pieces
