I don't care what anybody thinks of me
My love will last much longer than their thoughts of me
I only know I need you that's all I know
And I'd fight the world before I'd ever let go go
I'd gladly beg I'd steal I'd borrow I'd turn my back on
everyone I know
I'd do these things with no fear of tomorrow
I'd fight the world before I'd let go go
[steel]
I know they're talkin' about me lovin' you the way I do
And they're sayin' no one no one should love anyone
not the way that I love you

But I don't care if the world stops and the sun explodes
or the moon turns to ashes
I'd stand and fight the world before I'd let you go
I'd gladly beg I'd steal or I'd borrow...
