What did I do wrong and made you so mad  
Oh I must've done something to make you treat me so  
bad  
You're treating me like I don't belong  
I love you so I've got a right to know what did I do  
wrong

Give me a chance don't keep me on this spot  
I don't even know oh oh I'm guilty or not  
You're breaking my heart don't let it go on  
I love you so I've got a right to know what did I do  
wrong  
[ guitar ]  
What have I done to make you change your mind

Did I say the wrong things and said it at the right time  
I see a frown where it don't belong  
I love you so I've got a right to know what did I do  
wrong  
Give me a chance...
