Who's gonna love Leona when I'm gone  
Who's gonna love Leona when I'm gone  
Wh'll hang pictures on her wall who's gonna pet  
Leona's dog  
Who's gonna love Leona when I'm gone

Who's gonna dig Leona's taters when I'm gone  
Who's gonna dig Leona's taters when I'm gone  
Who'll put antifreeze in her car who's gonna help her  
start to force  
Who's gonna love Leona when I'm gone

Who's gonna hey who's gonna who's gonna love Leona  
when I'm gone  
Who'll buy ribbons for her hair who's gonna make sure  
that she's fed  
Who's gonna love Leona when I'm gone  
[ banjo - steel ]

Who's gonna love Leona when I'm gone...  
Who's gonna dig Leona's taters when I'm gone...

Who's gonna come on now who's gonna who's gonna  
love Leona when I'm gone  
Who'll buy ribbons for her hair who's gonna make sure  
that she's fed  
Who's gonna love Leona when I'm gone
