I know that you're wondering who I dream about  
And if I've met someone who thrills me so  
Yes I finally met a girl who turns me inside out  
I'll tell you about her for you ought to know  
You comb her hair every morning and make sure she  
dresses just right  
You comb her hair every morning and put her to bed  
every night

I stammer and I act just like a fool  
And just to hold her hand in mine makes me feel weak

You know her honey don't you know it's you  
You comb her hair...
