"Almost"

Almost you fell in love with me almost you were my
bride to be
But each promise that was made you have broken and
betrayed
And left me with a faded memory
Almost my precious dreams came true almost you
whispered dear I do
But someone new came by and you left me here to cry
oh how close we were almost
Almost I heard the church bells ring almost I heard the
choir sing
But I hear now instead all those unkind words you said I
remember every little thing
Almost your heart I did possess almost you brought me
happiness
My dreams just won't come true and there's nothing I
can do

Oh how close we were almost oh how close we were
almost
