I'll love you dear as long as I live  
It was easy said that night we parted that we'd forget  
we had ever met  
I haven't forgotten I wonder if you have or if your  
heart's too full of regret  
As long as I live if it be one hour or if it be one hundred  
years  
I'll keep remembering forever and ever I'll love you  
dear as long as I live  
[ piano ]  
I never thought that night we parted that life alone  
could be so bad  
I know it sounds funny I'll never forget you the only joy  
that I've ever had

As long as I live...
