In the twilight glow I see her blue eyes crying in the rain
As we kissed goodbye and parted I knew we'd never
meet again

Love is like a dying ember only memories remain
Through the ages I'll remember blue eyes crying in the
rain

[piano]

Now my hair has turned to silver all my life I've loved in
vain

I can see her star in heaven blue eyes crying in the rain
Some day when we meet up yonder we'll stroll hand in
hand again

In a land that knows no parting blue eyes crying in the
rain
