(Leo Robin - Ralph Rainger)

Night and you and blue Hawaii
The night is heavenly and you are heaven to me
Lovely you and blue Hawaii with all this loveliness
That should be loved.

Come with me while the moon is on the sea
The night is young and so are we
Dreams come true in blue Hawaii and mind could all
come through
This magic night of nights with you.

--- Instrumental ---

Come with me while the moon is on the sea
The night is young and so are we
Dreams come true in blue Hawaii and mind could all
come through
This magic night of nights with you...
