Met the girl I loved in a town way down in Dixie  
'Neath the stars above she was the sweetest girl I ever  
did see

So I took her in my arms and told her of her many  
charms  
And kissed her while the organ played the Bonaparte's  
Retreat

All the world was bright as I held her on that night  
And I heard her say, "Please don't ever go away"

So I held her in my arms and told her of her many  
charms  
And kissed her while the organ played the Bonaparte's  
Retreat

So I held her in my arms and told her of her many  
charms  
And kissed her while the organ played the Bonaparte's  
Retreat

So I held her in my arms and told her of her many  
charms  
And kissed her while the organ played the Bonaparte's  
Retreat
