Candy kisses wrapped in paper mean more to you than  
any of mine

Candy kisses wrapped in paper you'd rather have them  
any old time

You don't mean it when you whisper those sweet love  
words in my ear

Candy kisses wrapped in paper mean more to you than  
mine do dear

[ piano + guitar ]

I build a castle out of dreams dear I thought that you  
were building one too

Now my castles all have fallen and I am left alone and  
blue

Once my heart was filled with gladness now there's  
sadness only tears

Candy kisses wrapped in paper mean more to you than  
mine do dear
