"Crazy Over You"

While I'm down in Texas I thought I wouldn't stay
I fell in love with a pretty little gal and she took my
heart away
She's my little baby her eyes are big and blue
I'm going crazy crazy over you.

When she smiles it heaven the way she calls my name
The way her kisses thrill me out on the Texas plains
She's my little baby her eyes are big and blue
I'm going crazy crazy over you.

When she holds me closely her touch is soft and sweet
I'll tell you how a Texas gal is mighty hard to beat
She's my little baby her eyes are big and blue
I'm going crazy crazy over you.

Sweet temptation haunts me when I steal a kiss
She's not too tall she's kinda small but her love I can't
resist
She's my little baby her eyes are big and blue
I'm going crazy crazy over you...
