Cry cry darling that's what I do if you'd leave me with
the blues

Cry cry darling that's all I do if it's you I should lose

For me there'd be no moonlight if ever we should part

Cry cry darling that's what I do cause you're the one in
my heart

[guitar]

My eyes will cry and never dry if you should go

[guitar]

When shadows creep I'll just weep all night I know

You know how much I'd miss you if ever we should part

Cry cry darling that's all I do cause you're the one that's
in my heart

Cry cry darling that's all I do cause you're the one in my
heart
