"Heart Full Of Love"

I traded a heart full of love for a handful of kisses that
you were just throwing away
I traded a lifetime of dream for a few carefree
moments
That you felt like wasting that day
If I had known you didn't care I wouldn't be so blue
Cause I'd have left my heart at home and played the
game like you
I'm hoping that you had your fun
Cause that handful of kisses has broken my fool heart
in two
[steel]
I gave you a love that was true for a heart that was
fickle
I wish that I had known at the time
You had me fooled for a while cause I thought that you
meant it

When you said that you would be mine
But now that we have said goodbye I see the light of
day
I had a moment of happiness but what a price to pay
I traded a heart full of love for a handful of kisses that
you were just throwing away
