You were hiding in my heart you were in that way down
deep
I never knew that you were there why I must have been
asleep
Now I see that I was wrong a foolish boy in the dark
And while I was kissing others you were hiding in my
heart
I hardly knew you I didn't care without any warning one
day you were there
Now my heart beats just for you we must never be
apart
I found the love that I've been missing you were hiding
in my heart
I hardly knew you I didn't care...
