I love you I'll prove it in days to come I swear it's true
darling you're the only one
I think of you of the past and all our fun I love you I'll
prove it in days to come

You're my darling you've been true I should have been
good to you
You're the one that's in my heart while we're apart
I'll be true I'll prove it to you some day I love you in my
heart you'll always stay
I've been so blue and lonesome all these days I love
you I'll prove it a thousand ways
[piano - steel]
I'll be nice and sweet to you and no more will you be
blue
I'll prove I love you every day all kinds of ways

So darling please wait please wait until I'm free
There'll be a change a great change made in me
I'll be true there will never be a blue day I love you I'll
prove it a thousand ways
