(Jamie Crane - Al Jacobs)

If I ever needed you I need you now
I can't remember when I've ever been so blue
If I ever needed love I need it now
I feel so all alone I don't know what to do.

No day or night goes by when I don't have my cry
I feel like I could die from wanting you
I can't ease my aching heart honey you know how
If I ever needed you I need you now.

--- Instrumental ---

No day or night goes by when I don't have my cry
I feel like I could die from wanting you
I can't ease my aching heart honey you know how
If I ever needed you I need you now...
