How many arms have held you and hated to let you go
How many how many I wonder but I really don't want to
know
How many lips have kissed you and set your soul aglow
How many how many I wonder but I really don't want to
know
So always make me wonder always make me guess
And even if I ask you darling don't confess
Just let it remain your secret but darlin' I love you so
No wonder no wonder I wonder no I really don't want to
know

No wonder no wonder I wonder no I really don't want to
know
