I'll hold you in my heart till I can hold you in my arms
Like you'd never been held before
I'll think of you each day and then I'll dream the night
away
Till you are in my arms once more
The stars up in the sky know the reason why I feel so
blue when I'm away from you
I'll hold you in my heart till I can hold you in my arms so
darling please wait for me
(Another lonely day passes and you're still far away
But here's what I'd do my darling until that wonderful
day wonderful day)

I'll hold you in my heart till I can hold you in my arms so
darling please wait for me
