(Jenny Lou Carson)

Jealous heart, oh, jealous heart stop beating
can't you see the damage you have done
You have driven her away forever
Jealous heart, now I'm the lonely one.

I was part of everything she planned for
And I know she loved me from the start
It's so hard to know she'll never love me
All because of you, oh, jealous heart.

--- Instrumental ---

Through the years her memories still haunt me
Even though we're many miles apart
It's so hard to know she'll never love me
All because of you, oh, jealous heart.

--- Yodel to fade ---
