(Eddy Arnold - Zeke Clements)

Just a little lovin' will go a long way
And you will make me happy the rest of the days
Put your arms around me then I'll be your slave
'Cause just a little lovin' will go a long way.

Ever since that time began love has ruled the world
Even Adam set the pace and started it a whirl
I met you and now I know that you're the one for me
Come on back and you will plainly see.

Just a little lovin' will go a long way
And you will make me happy the rest of the days
Put your arms around me then I'll be your slave
'Cause just a little lovin' will go a long way.

--- Instrumental ---

Don't believe you really know how much I love you
If you did you'd come on back and make my dreams
come true
Your eyes your lips your loving kisses seem to linger
yet
I'll forgive but please don't you forget.

That just a little lovin' will go a long way
And you will make me happy the rest of the days
Put your arms around me then I'll be your slave
'Cause just a little lovin' will go a long way...
