You have gone and yet I'm still your prisoner
Although you're with your new love I'm not free
For you have placed a lock around my heart dear
And you are the keeper of the key.

Love locked inside like mine burns constantly
Please darling, please come back to me
Let's lock our hearts together for a lifetime
For you are the keeper of the key.

--- Instrumental ---

Love locked inside like mine burns constantly
Please darling, please come back to me
Let's lock our hearts together for a lifetime
For you are the keeper of the key...
