Let me be the one to walk with you when you want  
somebody to talk with you  
Anything that makes you happy I wanna do oh darling  
let me be the one  
Let me be the one who means the most the one you  
wanna love and call your own  
And when you choose your partner I wanna be the  
choice oh please let me be the one  
Let me be the one to sit with you  
And when you want some lovin' I'll know just what to do  
Lots of lots of huggin' and a kiss or two you've gotta let  
me be the one  
Let me be the one to take you out to your favorite  
places you have no doubt  
And when the evening's gone we'd kiss goodnight oh  
please let me be the one  
[ guitar ]  
Let me be the one to share with you all your little  
pleasures and sorrows too

In all kind of weather I wanna be with you oh please let  
me be one  
Let me be the one to hold your hand when the preacher  
says do you take this man  
All these happy thoughts will mean so much fun if  
you'd only let me be the one
