(Dallas Frazier)

I'd love to forget every time that you kissed me
I'd love to forget that you're gone
I'd gladly hold back every tear that I'm crying
For love has a mind of its own.

Love is the ruler, the greatest of kings
Love sets a guy on a throne
Forgetting you darling is not my decision
For love has a mind of its own.

--- Instrumental ---

I don't want to carry this worrison heartache
I don't want to cry all night long
I wish I could run from the day that I met you
But love has a mind of its own.

Love is the ruler, the greatest of kings
Love sets a guy on a throne
Forgetting you darling is not my decision
For love has a mind of its own.

Yes, love has a mind of its own...
