(George Whiting - Walter Donaldson)

When whippoorwills call and evening is nigh  
I hurry to my blue heaven  
I turn to the right a little white light  
With you to my blue heaven.

You'll see a smiling face, a fireplace, a cozy room  
A little nest that's nestled where the roses bloom  
Just Molly and me and baby makes three  
We're happy in my bue heaven.

--- Instrumental ---

You'll see a smiling face, a fireplace, a cozy room  
A little nest that's nestled where the roses bloom  
Just Molly and me and baby makes three  
We're happy in my bue heaven...
